Gentlemen, please DO NOT enact this rule which will limit my ability to trade options in my IRA account. I do not need the government telling how to invest MY MONEY. I've done very well these past years without your help. I use option trading in my IRA to supplement my income. Please stay away from this. As a retired government employee, I transferred my TSP to my IRA because of the limited investment options in the TSP, when I retired. As government workers you know how limited the TSP investment options are. PLEASE DO NOT ENACT THIS RULE.
